

Technical data sheet

EasyCare®

Evaporator cleaner & disinfectant

Special Features

- Tested and certified to standard BS/EN 1040 & BS/EN 1276.

EasyCare® is an evaporator cleaner and disinfectant designed to address concerns over indoor air quality. Its highly effective cleaning action improves the efficiency of your air conditioning system, while its disinfectant ensures total hygiene and the reassurance that the unit is safe and clean. Complies with British & European Standards for Bactericides BS/EN 1040 and BS/EN 1276.

PRODUCT SPECIFICATION

Name	EasyCare®
Product Code	S010127GB
Packing Quantity (ml, L)	12 x 600ml
Packing Size (L x H x D cm)	21 x 29 x 27
Shipping Weight (kg)	7.74
Shipping Volume (m ³)	0.0160
Soils	Airborne pollutants, bacteria, mould, slime

Directions of use

Isolate electrics and ensure sufficient ventilation. Spray into coil, starting at top corner and methodically working across and down. Keep all surfaces wet for 10 minutes. Ensure EasyCare® penetrates completely through coil. Rinse after use.

Use EasyCare® in line with normal maintenance schedule.

Store upright in a cool, dry place.

Disposal

Dispose of as normal industrial waste.

**EasyCare®
 UN1950
 Warning
 Contains Propan-2-ol**

EUH208: Contains geraniol, citronellol. May produce an allergic reaction. H223: Flammable aerosol. H319: Causes serious eye irritation. P211: Do not spray on an open flame or other ignition source.
