Industrial 50™

Industrial strength limescale remover

Special Features

- Rapidly removes limescale

Industrial™ 50 removes limescale from catering equipment, coffee machines, tea urn and kettles. It is an industrial strength limescale remover. It has a formic acid base and is a very fast acting descaler.

PRODUCT SPECIFICATION

Name	Industrial™ 50
Product Code	S130015, S130014
Packing Quantity (ml, L)	4 x 5l, 12 x 1l
Packing Size (L x H x D cm)	40 x 30 x 27, 36.5 x 25 x 27.5
Shipping Weight (kg)	22.48, 13.48
Shipping Volume (m3)	0.0332, 0.0259
Soils	Limescale

Directions of use

Fill the article to be descaled with a solution of hot (not boiling) water and add Industrial™ 50. One part of Industrial 50 should be added for every ten parts of water in the article to be descaled.

Allow sufficient space so the effervescent action can't spill over. Wait until the effervescence ceases, then drain the liquid and thoroughly rinse with clean water. Heavy deposits of scale may require a stronger solution (1:4 parts water), or a second treatment.

Industrial™ 50
Danger
UN3412
Contains Formic Acid

H314: Causes severe skin burns and eye damage. P102: Keep out of reach of children. P260: Do not breathe dust/fumes/gas/mist/vapours/spray. P262: Do not get in eyes, on skin, or on clothing.
